

Agent's Handbook for Registration of Undocumented Vessels

Preface

The *Agent's Handbook for Registration of Undocumented Vessels* (BOAT 140) is available to all industry members at no charge. The handbook is designed to provide vessel agents with undocumented vessel registration requirements.

This revision of the handbook contains procedures and requirements contained in Vehicle Industry News (VIN) Memos issued through June 1, 2007.

The department issues VIN Memos as needed to inform you of any new procedures and/or requirements that may affect your business. The VIN memos and this handbook are available on the DMV website at www.dmv.ca.gov.

Particular attention should be given to the information in the VIN Memos, as they supersede or modify the information/requirements shown in this handbook.
